

I Have Chosen You

*"It was not you who chose me,
but "I who chose you,
and appointed you to go
and bear fruit that will remain."*

Jesus was a rabbi with unique qualities of leadership. He also had challenging obligations for his disciples.

Today, we – his disciples – must allow our hearts to be continually transformed by following him faithfully.

Let your heart be transformed during this mission of teaching, prayer, and discussion.

There will be refreshments. All are welcome.
